

Dear TA Sports Enthusiasts:

Another exciting year of Warrior sports is getting underway. Each year we offer the opportunity for our avid supporters to become members of the Tidewater Academy Season Pass Club. The funds generated from our membership directly support the athletic program.

Membership allows entry into all home, regular season contests, which can total approximately forty events. At an average of \$5.00 per game, two people would spend around \$350.00. The Season Pass allows two to enter and only costs \$170.00. Tournament and away games are not included in the membership.

Single membership is also available for \$100.00. For those who wish to make a greater commitment, a Lifetime Membership is offered at \$500.00 per person.

The Tidewater Academy Season Pass is just one way to support our athletes. Another is through membership (at no cost) in the TA Booster Club, which is always receptive to new faces and ideas. You can also volunteer to help with Booster Club functions by volunteering for their fund-raising events.

Hope to see you in the stands!
